

Embattled Lawrence Vol. 3: Building the City

Help make history by becoming a supporter of the Embattled Lawrence book project!

In 2023, a team of volunteers led by Dennis Domer released *Embattled Lawrence Vol. 2: The Enduring Struggles for Freedom*, published by the Watkins Museum of History. This long-awaited history book remained the #1 bestseller for six weeks at The Raven Bookstore during the summer of 2023. The team is eager to launch *Vol. 3: Building the City*, but we need your help! As a community-led project, every dollar raised to create the book comes from generous patrons like you. All proceeds from the book sales go towards the Watkins Museum of History.
